1 Students:

Rainbow; Sherry; Sanghee; Jinok (Guosheng & Natalia- off for now)
Hyunju; Younghye; Yoko; Satoko; Jing sun; Xi Lin; Marie; Isaac

2 Optional: After greetings and settling into place around the table, it's useful to ask each student and each volunteer to tell about two things they did today before coming to class. Call on a volunteer first to give the students time to prepare. Ask them in seating order so they can anticipate when their turn will come. Questions and discussion may follow.

3 Using the suggested EEN topic for the day or a topic of your own choosing, begin the discussion. Introduce any unfamiliar vocabulary, define, point out word usage, noun, verb forms, synonyms, words that sound the same, odd phrases used in the text, etc. Use open-ended questions to elicit longer answers.
NOTES:

4 Open-ended questions:

5  **11:00 a.m. 10-minute coffee break. Snacks are in our cupboard in the small kitchen.**

6 Use any of the teaching initiatives, such as word games, crossword puzzle, picture stories, listening practice, EEN teaching aids, quizzes, comprehension exercises, etc. See the website for more ideas.
