

Conversation Friends

Class # 32

7:00 - 8:30 p.m.

October 18, 2017

Volunteers: Linda* Sylvia Liz Joyce

Students: Rainbow, Sherry, Marie, Yoko, Isaac.

Discussion Topic: Rosh Hashana (article in Sept. issue of Easy English News)

Linda's notes:

On Wednesday we talked about the party and then we read about Rosh Hashana.

We went paragraph by paragraph and we discussed the concepts presented in the article; repentance, atonement, forgiveness. Since Rosh Hashana is the beginning of the Jewish New Year we talked about the calendars that are used in different countries and also the customs for celebrating the new year.

Joyce and Isaac joined the class part way through. We stopped our reading to introduce everybody. Isaac asked the students many questions and he also answered questions. After that we continued our reading and discussion and the class was over.

Next week the students will talk about a hobby or interest that they have.

They can bring something in about their interest.
