## Reading

17 Pam wakes up. The room is cold. She puts on a robe and walks into the living  
room. That room is cold too. The whole house is cold.

28 It is 55 degrees in her home. There is no heat. Pam checks the furnace. It is  
45 not working. Pam needs help.

50 She gets the phone book and looks in the yellow pages. First she finds the  
65 H's. Then she looks for the word "heating".

73 The first name she sees is Hal's Heating. She calls Hal. She says, "My house  
88 is cold. My furnace is not working. Please send someone to fix it."

101 Hal sends one of his workers to Pam's house. He makes the **repair**. Pam has  
116 heat! She is glad that she had the yellow pages in her home.
